

Jesus Christ and His People

The Purpose of This Study

Every Christian comprehends, to some degree, the Biblical relationship between an understanding of God and worship. All through Scripture we find good angels and spiritual people giving praise, honor, and glory to God. The reason for this is that God is worthy. A correct understand of Who God is -- will lead to worship.

The setting of the theme for this series of lessons is the book of the Revelation. The title of this book is taken from its first verse -- The revelation of Jesus Christ The word for "revelation" is apocalypse which means "unveiling." The thought here is that the last book of the Bible is a final revealing -- a glorious consummation -- an intimate unveiling of the Lord Jesus Christ.

As we endeavor to understand the person of Jesus Christ and what it means to be His people -- we will be led into a deeper life of worship, praise, and thanksgiving. That is the purpose of these lessons.

Recommendation

Spend at least one-half hour a day studying the Word of God and the lesson. Work hard to make the application of each truth a part of your daily life. Pray for illumination concerning character defects, sins of omission and commission, and giving ground to Satan. Be honest with God and yourself. Accept the truth that the Lord God wants you to know Him better and to live a more fruitful and joyful life for His glory.
