

The Christian and the Will of God

The Purpose of This Study

Every individual, whether Christian or not, lives according to certain priorities. These priorities lead to the establishment of certain patterns of life, which in turn, form the basis for some degree of success or failure.

The mature Christian will readily admit the need of help with priorities and will accept the truthfulness and practicality of Jeremiah's statement:

O LORD, I know that the way of man is not in himself, it is not in man that walketh to direct his steps. Jer. 10:23

Our goal in this Bible study is to ascertain the Biblical meaning of "the will of God" so that we may be led into a deeper walk of fellowship and service for the glory of God.

Recommendation

Spend at least one-half hour a day studying the Word of God and the lesson. Work hard at making the application of each truth a part of your daily life. Pray for illumination concerning sins of omission and commission, pretending, laziness, and giving ground to Satan. Accept the truth that God has given you the Bible as your blueprint for life and that you are responsible to Him to know and to practice the Scripture.
