

## A Prayer for Cleansing and Protection

*Heavenly Father, I (we) thank You for Your loving kindness and goodness so bountifully given to me (us) through the Lord Jesus Christ.*

*I (we) ask that You would give me (us) discernment in this work of Yours – to understand how to pray and obey You in resisting Your enemies and mine (ours).*

*Whatever there may be in these facilities that is of Your work, then I (we) accept it and thank You for it. But whatever there may be here, Heavenly Father, that is not of You, I (we) take authority over it in the name of the Lord Jesus Christ. I (we) stop any and all work of the enemy, resist it and command that work and every demonic presence to leave and go where the Lord Jesus sends it.*

*Please come dear Lord, turn Your searchlight on whatever You want me (us) to cleanse or change. I (we) accept all those whom You have brought into my (our) life. I (we) choose by faith to bless them and love them. In Your name Lord Jesus I cancel and break down any relationship the enemy has been able to set up or plans to set up with anyone I will meet today and command all effects of those relationships to go where the Lord Jesus sends it.*

*Enable me (us) to live today covered with the armor of Your truth, righteousness, peace, and salvation. I (we) hold up the Shield of Faith and take into my (our) hand(s) the Sword of the Spirit the Word of God. Teach me (us) how to use Your Sword today.*

*Come and reign over me (us) Lord God. In Jesus name, Amen.*
