

A Prayer of Dedication and Petition

Heavenly Father, I (we) thank you for Your goodness to me (us) and for the opportunity to love and serve You.

I (we) dedicate these facilities and my (our) work to You, as well as the opportunities of this day. Please come and fill these rooms with Your presence. I (we) receive by faith Your grace to enable me (us) to have the wisdom and discernment I (we) need to serve You and obey You.

In particular I (we) receive Your love into my heart and ask that You would enable me (us) to show Your love to those I work with and will meet today. Shine out through my (our) eyes, smile through my (our) lips and speak through my (our) voice.

I (we) ask for Your protection and blessing today that You would be glorified in my (our) life and work. I (we) thank You.

In Jesus name, Amen.
