## PREFACE

### PERSONAL SUCCESS - That's the Promise of God!

*And Ye Shall Know The Truth And The Truth Shall Make You Free*  
(John 8:32).

This **Freedom** is simply personal success for the Christian. IT is the liberty, the ability, the right to become the kind of person that God had in mind when He created you. Instead of being enslaved by our sin, crippled by our ignorance, and bound by our tensions - God has promised Freedom.

The **Truth** shall make you **Free!** God has revealed the Truth to us through the Person of His Son Jesus Christ and it's recorded in the Bible. there is no need to stumble, grope, and guess about the Truth.

To **Know** the truth will make us **Free. Knowledge - Truth - Freedom** - these head the list of any system of values. And that's the reason for this course. You can Know the truth and you can have the Freedom of personal success. If you will honestly study the Bible and consistently apply it to your daily life - god will transform you as a person. The material you hold in your hand has been carefully prepared to lead you step by step into the **Knowledge** of the **Truth** which will make you **Free!**

One thing we must always keep in mind. **Jesus Christ is the Truth.** And, the freedom I speak of will come from knowing Him, and living in fellowship with Him.
