

## Ten Suggestions for the Christian

Please do these daily

1. Be very serious and thorough about taking back ground and breaking relationships.
2. Study the Bible and pray. Accept the truth and choose to live accordingly.
3. Fully accept the victory gained for you by the Lord Jesus Christ. Choose by faith to believe you are triumphant over the enemy and all his wicked spirits. Never give up the hope that you will be delivered from him and them.
4. Be aggressive in your fight against the enemy.
5. Reject aggressively all thoughts and feelings of doubt, hopelessness, failure, etc.
6. Keep your mind filled with positive thoughts and affirmations. Use the last two verses of "I Will Praise Him," and such hymns as "All Hail the Power of Jesus Name." Quote important verses related to the victory of the Lord Jesus Christ.
7. Be preoccupied with the greatness and goodness of God. Satan will try to get you to believe God is not good. Do not become preoccupied with yourself, your problems, and the enemy.
8. Do not use your feelings and circumstances to get attention. Resist at all times the temptation to be overwhelmed with self-pity. Face the truth of yourself and your problems like a man.
9. Constantly reject all false truths, perversions of the truth, and falsehoods.

*"In the Name of the Lord Jesus Christ I reject all half-truths, perversions of truth, and falsehoods which have been suggested to me by Satan and made a part of my thinking."*

*"I absolve myself from every area of cooperation with Satan wherein I have put into practice any of the half-truths, perversions of truth, and falsehoods he has suggested to me. I refuse to believe all these lies and refuse to live in harmony with them."*

10. Use the Warfare Prayer daily and with aggressive determination that it is and will increasingly become true for you.
