

# *The Biblical Foundation of Our Faith*

**Victor Matthews**

**Suggestion: Please read and study a brief section of the lesson each day. Look up the Scripture and meditate on the message. Apply the truth to your daily life by prayer and choices of faith and love. Let's grow together as we become more and more involved with our Lord as a Person and as we study His Word.**

**This publication contains class notes, Scripture references and overheads used in the class.**
